作者のことば

「このパラパルでは、設定のせいもあって主人公以外の皆が正々堂々とどこか壊れている(欠けている?)ため、なかなか色恋が進んでくれませんでしたが、この巻でようやっとその辺が動き出しました。とりあえず楽しんで読んで頂けたら嬉しいです。」(石田拓実)

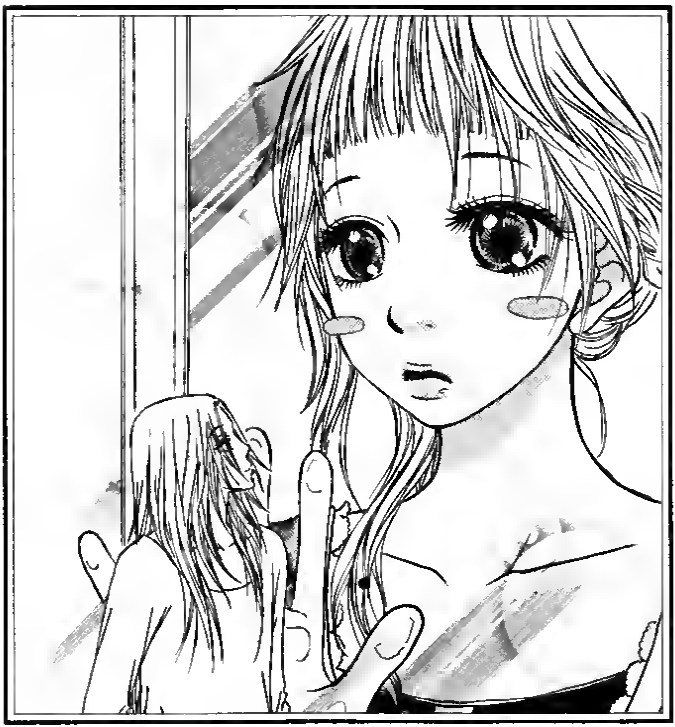
ISHIDA Takumi



(The Story So Far)

Ikuno Komaki was an ordinary first year high school student, then one day an alien (nicknamed Hana) entered inside her head!!! Hana and his friends are here looking for his missing friend and they can enter the brain and somehow can sharpen the senses. Komaki has the sense of smell, her classmate Tsuruma has hearing and the third year known as the "Pervert Queen," Kurokawa Rika, has touch.

The infamous ladies man, Shiyu, is now also part of Komaki's group of friends. Komaki has persuaded Shiyu to stop fooling around with girls, but it seems he's now narrowing in on Komaki.

Then Rika is attacked by a crowd of boys. Rika is rescued just in the nick of time unexpectedly by Hasunuma-sensei. However, Rika is in extreme shock and he had to take emergency measures. It seems somehow or other that Hasunuma-sensei isn't normal ?!

Hello
Thank you for picking up volume 4 of Para-paru today and purchasing it. I'm the author Ishida Takumi. Anyways, in the twinkle of an eye it's already volume 4. I'm trying to collect myself and one of the books as turned into a sensual love affair experience. But I'm enjoying it. It's nothing more than happiness. Till next time.
